CRITICAL NOTE: These are just part of the 37 CRITICAL Court Documents that put ROSE in PRISON. I checked many of them. Most of the critical ones are SEALED so no-one can access them. this includes all of the Evaluation Reports, and the FINAL dismissal documents dated Jan 27, 2014.

Here is the original Court Document list sent by Dee Sterling containing 37 documents that have disappeared, been sealed, and destroyed by these criminals to avoid the impending FBI AG USMilitary investigations I have been commanding occur for now +3.5 biblical years.

Just how did Dee Sterling get all of the private legal letters I sent to so many people asking each Judge, lawyer, and for FBI and AG to immediately RELEASE me into Federal Witness Protection Program that I applied for back in Sept 2011.

I have the original master copies of almost all these documents that I smudged out of HELL-JAIL to my own churches years ago, knowing I was a DEAD MAN as soon as ROSE found me and ordered my execution at a time when ROSE would not be suspected because of the layer after layer of false witness and false testimony of so many criminals under ROSE's directives and control. ROSE is clearly a mega millionaire, and probably Billionaire by now. Even the IRS knows of the most massive tax evasion and money laundering operations conducted by Caribbean Supply Services INC (State of Florida Nov 4, 2010), FineHomeTechnologies.com and many other storefront and hidden real estate development and investment corporations that ROSE routinely transfers millions of USD between to criminally avoid all investigations by anyone, including the public and press and even the USA Military.

Absolutely NO ONE can explain WHY Rose ordered Keith Duncan kidnapped on Sept 26, 2011 9 am when Keith was waiting for 'safe haven' at Langley AirForce base. Call Keith to ask him anything, anything at all....
