Rebroadcast to the world, again and again... FOCUS is DIRECT email to Internal Affairs of USA Government to investigate and INDICT USAG, now Deputy Attorney General Sally Yates in Washington D.C. for her direct ties to Robert Dee Rose per Norfolk VA 4:11cr112. I have shown over and over all criminal documents as well as timelined sequence of total DENIAL of all rights to conclude Murder by Hire by <http://www.TheFinalTerrorist.com> <http://www.BuiltByKeith> is the ONLY world clearinghouse of world-class and world saving solution published and campaign marketed to our entire world.

To my Criminal Terrorist Brother Doug Duncan and many other KEY law enforcement officials to TAKE ACTION NOW !!!

, I found your terrorist threat emails just last week and immediately directly notified Wake County NC Sheriff as well as AG-FBI that my life remains in immediate danger of being murdered by my own BROTHER, by ROSE, and by very powerful USA government officials. I have turned over your OWN signed TPO back to the world and notified everyone in the world that YOU are indeed a CRIMINAL with your HOMELAND group.

NOTICE what I BOLDED and ENLARGED below in your OWN WORDS, not mine. Use of Internet to make terrorist threats is a violation of many USC Laws. The first is **Click: 923. 18 U.S.C. § 371 to SHOCK all Criminals into confessing their crimes and turn themselves into FBI-AG-local law enforcement before the wrath of citizens occur.** CLICK: <http://www.justice.gov/usam/criminal-resource-manual-923-18-usc-371-conspiracy-defraud-us>

Yes, i even contacted INTERPOL, FBI, IRS, AG, Congress, United Nations, and well over 300 Journalists and PRESS.

You will indeed stand TRIAL soon for all the crimes you committed. The USA government's job is to investigate and convict you, not me.

Again, attached is the dismissal dated July 15, 2011.MS Bashama robbed me by U-Haul of \$32,000 USD contracted cash and assets. This ONE dismissal states she refuses to prosecute and press charges. SO WHY DOES USA GOVERNMENT actively KIDNAP me, threaten me with DEATH( Attempted murder by forced medication claiming WHAT?) the single word COMPETENT as everyone told me to SHUT THE HELL UP, I had no RIGHTS, I was insane at the time of WHAT violation? that I was asking for SAFE haven at the Military BECAUSE ROSE was actively tracking my location and because ROSE already had IRS, FBI, AG, USMarshal destroying all evidence I turned over to them since Feb 2009 IRS WhistleBlower.

So GO AHEAD DOUG, ACTIVATE your terrorist HOMELAND VILEGANTE GUN group. Send someone to murder me. That will also place you on Death ROW along with the others who are up for Military Tribunal or just a simple honest Criminal INvestigator and Federal Judge to put away for a really long time.

So WHERE was the 922(g)8 violation on Sept 25, 2011? Military invited me BACK that night. My own phone record callback at 9 am Sept 26, 2011 to Capt Christopher Weber was at the exact moment ROSE had NON-SIGNED, NON-DATED arrest warrant issued as they waited until Oct 3, 2011 to have me kidnapped so I would be ISOLATED and NOT show up at ROSE's RICO trial on Oct 23, 2011 as I was supeoned.

The last FIFTH FILE shows 100% perfectly LEGAL to own and transport ANY GUN at all. It also clearly states ONLY valid in State of Georgia.

I was in Virginia, in military jurisdiction.

Your own photo, location, and multiple crimes is clearly listed on a newer resurrected website. I even already sent your own email threats to many law enforcement agencies, to PRESS, to public. Can you find it??

**And to think you can threaten me with fear and intimidation. what an ultimate joke on YOU and everyone who actively wants me DEAD.....** This just gives any Judge and Jury all the evidence they need to convict you. For I have already claimed first lien on your own criminally acquired assets and published this to the world and all law enforcement.

CC TO BERNY, the PRESS, my churches, and many others. Do YOU finally SEE how many people want me DEAD. All all these naysayers, constantly WASH THEIR HANDS like Pontius Pilate and the leadership of our world....

Followup: Got confirm from my Tuesday night homeland group that you approach my family in any manner that response is fully covered. I appreciate the confirm from them as very dependable in overseas assignments. You are fucked to approach me or any family members in NC as just communicated to Wake County Law Enforcement as to your threats. You have received multiple documented warnings. Do you get the message or do you want the pain?
